

Useful links for working with Altium at CERN

The libraries (*. DbLib) are on:

[\\cern.ch\dfs\Applications\Altium\CernLib\](\\cern.ch\dfs\Applications\Altium\CernLib)

Templates for the schematic are on:

<\\cern.ch\dfs\Applications\Altium\CernTemplates\SCH>

Templates for the PCB are on:

<\\cern.ch\dfs\Applications\Altium\CernTemplates\PCB>

Documentation:

- How to install the libraries.
- The list of components already created.
- How to find a component in the libraries.
- View Datasheet Associated with a Component.
- Etc.

All this information can be found at:

[\\cern.ch\dfs\Applications\Altium\CernDoc\](\\cern.ch\dfs\Applications\Altium\CernDoc)

Contact:

The address for any new Altium components request or correction for components already created:

service-electronics-components-altium@cern.ch
